DETAILED ACTION

Allowable Subject Matter

1. Claims 14-20, 27-32 and 40 are allowed.
2. The following is an examiner's statement of reasons for allowance:

None of the prior art of record teaches or suggests an office information system comprising a message device which supplies, when a reconstructed image is determined as being defective in image quality, an error message, indicating that an error occurs in the outputting of the image received at the system, to the communication device, so that the error message is transmitted to the remote terminal via the network.

Prior Art

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure:

- Ferrer et al. ['375] disclose a system to communicate information from a plurality of machines to a remotely located receiver.
- Hube ['528] discloses apparatus and method for diagnosing printing machine.
